2023 Adrienne R. Brown. “Challenges of Public Lands Management.” Guest lecture, 260: Intro to Environmental Studies, University of Arizona (Tucson, Arizona)

2023 Adrienne R. Brown. “Views from somewhere: The intersection of identity and environmental knowledge in northern California’s forests.” University of New Hampshire Department of Sociology, Colloquia series (virtual)

2020 Adrienne R. Brown. “Driving down a road and not knowing where you’re at’: Navigating Community and Recovery After the Camp Fire.” Rural Sociological Society Graduate Student Conference (virtual)

2013 Adrienne R. Brown. “Participatory Injustice in the Penokees: The Experiences of Ojibwe Tribal Members in Opposing Changes to Wisconsin’s Mining Legislation.” Association of Applied and Clinical Sociology annual meeting (Portland, Oregon)

RESEARCH EXPERIENCE

Community Engagement Postdoctoral Researcher, Udall Center for Studies in Public Policy, University of Arizona (Tucson, AZ)

August 2023-August 2024

- Collaborate with inter-disciplinary team of researchers to explore community engagement and its impact on environmental and natural resource governance
- Design and implement independent research projects relevant to community engagement and environmental governance
- Prepare publications and presentations to communicate findings to other researchers and the general public, and apply for grants to fund further research

Graduate Researcher, University of New Hampshire (Durham, New Hampshire)

August 2018-Present

- Conducted multiple independent research projects as a graduate student, including: 24 in-depth interviews with survivors of the Camp Fire in Paradise, California, 55 in-depth interviews with people involved in forest management around northern California, and 27 hours of observational fieldwork at logging sites. Topics include community resilience, place-based and occupational identities, and environmental knowledge.
- Recruited, conducted, transcribed, coded and analyzed qualitative data
- Applied for and received more than \$10,000 of additional funding in support of research
- Wrote final thesis and dissertation manuscripts toward degree completion, as well as multiple manuscripts accepted for publication in peer-reviewed journals

Research Assistant, University of New Hampshire (Durham, New Hampshire)

January-May 2021, 2022, and 2023

- Research assistant in the department of sociology in spring 2021, 2022, and 2023 semesters; performed cleaning and analysis of survey data regarding climate-related demographic shifts and people's environmental knowledge and trust in scientific agencies, resulting in a manuscript currently under review at a peer-reviewed journal; conducted literature review and manuscript preparation for research about gender inequalities in educational and occupational outcomes

Research Assistant, University of New Hampshire, Crimes Against Children Research Center (Durham, New Hampshire)

July 2021- June 2022

- Performed data cleaning, analysis, and report-writing for "Hate Crime Investigations and Offender Profiles: A National Survey of U.S. Law Enforcement Agencies" with interdisciplinary research group, resulting in a manuscript currently under review

Research Assistant, Northland College (Ashland, Wisconsin)

January 2014-August 2014

- Worked as part of research team on multiple projects, including: creating a catalog of natural, recreational, cultural, and other amenities of rural communities in the northern Midwest; meeting with local leaders to survey six Northwoods communities about social capital; developing and conducting mail survey to measure environmental attitudes of lakeside residents in four communities in cooperation with Wisconsin Department of Natural Resources

TEACHING EXPERIENCE

CIRTL Postdoc Pathways Fellow, University of Arizona (Tucson, Arizona)

September 2023-May 2024

- Participant in accelerated, one-year postdoctoral CIRTL certificate program that combines training in evidence-based teaching and an intensive-short-term co-teaching project with a faculty mentor

Teaching Assistant, University of New Hampshire (Durham, New Hampshire)
August 2018- December 2022

- Teaching assistant in the department of sociology for the following courses: Introduction to Sociology (2 sections), Sexual Behavior (2 sections), Sociology of Family (2 sections), Introductory Criminology, Social Problems, Sociological Analysis, Special Topics: Reefer Research, Medical Sociology (5 sections), Sociological Theory, and Gender, Power, and Privilege
- Responsible for grading student coursework and working with students in and outside class; assisted professor with course development and organization

AWARDS AND RECOGNITIONS

- American Sociological Association, Marvin E. Olsen Graduate Student Paper Award (Environmental Sociology Section, 2023)
- Carl Dawson Graduate Prize for Excellence in Research (University of New Hampshire, 2023)
- Certificate of Recognition for Research, Scholarship and Creativity (University of New Hampshire Graduate School, 2023)
- Summer Teaching Assistant Fellowship (University of New Hampshire, 2022)
- College of Liberal Arts Dissertation Acceleration Stipend (University of New Hampshire, 2022)
- Garis Hagstrom Excellence in Sociology Award (Northland College, 2014)
